Sir,

Subject:- Revision of scale of pay of the Bill Collectors of Mandya Town Municipality

- - o o - -

In forwarding herewith a copy of report No T C 105/42-43 dated 5-3-43 together with a copy of the resolution of the Municipal Council on the above subject, received from the President, Mandya Town Municipality, I have the honour to state that the President reports that the pay of the Bill Collectors was fixed at 15-1-20 from 36-37, when the demand of Mohatarfa taxes was only between Rs 4,000/- to Rs 5,000/- that after the formation of Mandya as District Head Quarter, with its increasing developments during these 3 years, the occupied area of the residential quarter in the extensions has become two fold as a result of which the demand of Mohatarfa taxes has increased to Rs 15,000/- and that the work of the Bill Collectors has consequently considerably increased He recommends that in consideration of the increased work, that the two Bill Collectors may be given the maximum pay of Rs 25/- in grade 20-1-25 The Municipal Council have resolved at their meeting held on 28-2-43 that the pay of the Bill Collectors may be fixed at Rs 25/-

2 As stated by the President, the work of the Bill Collectors has considerably increased and especially the Bill Collectors have to write up fresh demand registers ~~and have to write up fresh demand registers~~ and have to attend to collection work Mandya Municipality having an income of more than Rs 50,000/-, is classed as I class Municipality and the scale of the Ministerial staff was revised as per G O No I 119-7 of MI 24-40-43 dated 25-5-42 in accordance with the scale fixed for I class Municipalities The scale of pay fixed for the Bill Collectors in this Municipality is not commensurate with the volume of work the Bill Collectors are expected to do It is also reported by the President the the Bill Collectors are drawing the maximum pay in grade 15-1-20 since 2½ years I agree with the opinion of the Municipal Council in fixing the pay of the Bill Collectors at 25/- The increase in pay will be a sufficient inducement for them to exert and show better work A promotion of Rs 5/- in my opinion, is not much in these hard days

3 In this connection it would not be out of place for me to mention that Government had called for proposals to revise the scale of pay of Octroi Mutsaddis and Bill Collectors in their letter No L 5337 dated 19-12-41 (Copy with copy of its enclosure enclosed for ready reference) A reply agreeing to the suggestion had also been sent with this office letter No A5 2463/41-42 dated 20-4-42

4 In the above circumstances I request you kindly to obtain sanction of Government to the proposal of the Municipal Council to fix the pay of the two Bill Collectors at Rs 25/- In case Government take the view that a progressive rate of pay would be preferable, I request that the progressive scale may be sanctioned fixing the pay of the present Bill Collectors at Rs 25/- in view of the good work done by them

I have the honour to be,
Sir,
Your most obedient servant,

DEPUTY COMMISSIONER,

Letter No H C 105/42-43 dated 5-3-43 from the President Town Municipal Council, Mandya to the Deputy Commissioner, Mandya District

I have the honour to state that the Municipal Council in their meeting held on 28th February 1943, have passed a resolution to the effect that the two Bill Collectors working in this Municipality, each drawing the maximum pay of Rs 20/- over 2½ years in the grade of 15-1-20 be given a pay of Rs 25/- per month

In this connection it is submitted that the two posts of Bill Collectors were originally sanctioned by Government in their order No C O I 5827-8/M1 20-36-58 dated 9th February 1937 and L 131-2-M1 2738-118 dated 3rd July 1939 fixing the scale of Rs 15/-1-20 about the year 1936-37 when the demand of Mohatarfa Taxes of Mandya Town was only between Rs 4,000/- and 5,000/-

After the formation of Mandya as District Head Quarters with its vast developments during those years the occupied area of residential quarter in the extensions increased two fold with considerable increase of demand of Rs 15,000/- per annum after the revision

In consideration of the enhanced nature of collection work in respect of about 1700 khates the present two bill collectors are recommended to be granted the maximum of Rs 25/- each and the grades revised to 20-1-25 instead of Rs 15-1-20 as at present

A copy of the Resolution No 250 dated 28th February 1943 is herewith submitted for favour of obtaining sanction of Government for the above proposal and for meeting the extra cost from the Closing Balance of the current year
